Staging

We have a very versatile staging solution that can be customised in both height and dimensions, please call us to discuss your staging needs and we can quote accordingly.

Boothing

We have recently purchased a world class booting system which is now available to hire. This system can be built to almost any specification and size. Suitable for a small conference up to a massive tradeshow exhibition with various sized booths. Call us for more information and to discuss your requirements.

Please Note

Due to our ever changing inventory, please feel free to contact us if there is something you require that is not listed. We are also able to deliver, set up and pack up the equipment if required. Call us for a quote.

For multiple day and extended hires, please call.
